Serial No.	
37.	Letter no. 4270-Dy. 16-9-30 Chief Engineer states that for reasons given he considers it desirable to have a separate Engineering Estb. for each Dt Bd The chief reasons urged are (1) that in case a separate establishment is maintained per each Board the Government charges will come up 6 25 p.c. against 18 p.c. now paid to the P.W.D. (2) that the Boards will have the benefit of the technical advice & supervision of the P.W.D. officers in case they have a separate establishment The subject has been considered many times & it was decided that there was no case for a separate engineering estb. for each Bd at present. 19-9-30 The discussion may be withheld & the engineering members may be informed accordingly The resolution may be proposed & the Chief

Subject:- Separate Engineering Establishment for District Boards.

Sir,

With reference to your letter No.L.2054/L.B.83-30 dated the 6th September 1930 forwarding a copy of a resolution on the above subject brought up by Mr.H.B.Gundappa alias Gundappa Gowda, Representative Assembly Member, for discussion at the Dasara Session of the Representative Assembly and inviting my remarks thereon, I have the honour to inform you that this question has been already discussed several times.

2. In the Local Self Government Conference held in 1923, it was decided that a small committee consisting of the Deputy Commissioner, the Chief Engineer, the President and the Vice President of the District Board be formed for each District to consider the practicability of each Board having its own Engineering staff with due regard to economy and efficiency and also taking into account the amount which the District Board would be able to spare annually for original works and repairs. The committee accordingly met and the question was considered in all its aspects. With the exception of the Bangalore, Mysore and Hassan Districts, all other Districts were not in favour of having an independent establishment on account of the excessive cost. The question was again considered in the officers meeting held at Mysore in October 1926 and it was
